 ARC WELDING TRANSFORMER
 ITEM NO: NXWA160

- EN ARC welding transformer
- DE ARC-Schweißgerät
- IT Saldatrice ARC
- ES Máquina de soldadura por arco
- FR Machine de soudage ARC
- SV ARC-svetsmaskin

- Features:
- Classical, traditional and reliable welding transformer
 - Great arc performance
 - Works well in dirty or dusty environment
 - Turbo fan cooled, but still very quiet operation
 - Over-voltage and overload protection
 - Portable, convenient and easy to use

EXPERT PROFESSIONAL
 ARC WELDING TRANSFORMER
 ITEM NO: NXWA160

Voltage/frequency	230V~50Hz
Rated Input power	8kVA
Welding current	80A - 160A
Duty Cycle	160A@10%
Usable electrode	2-4mm

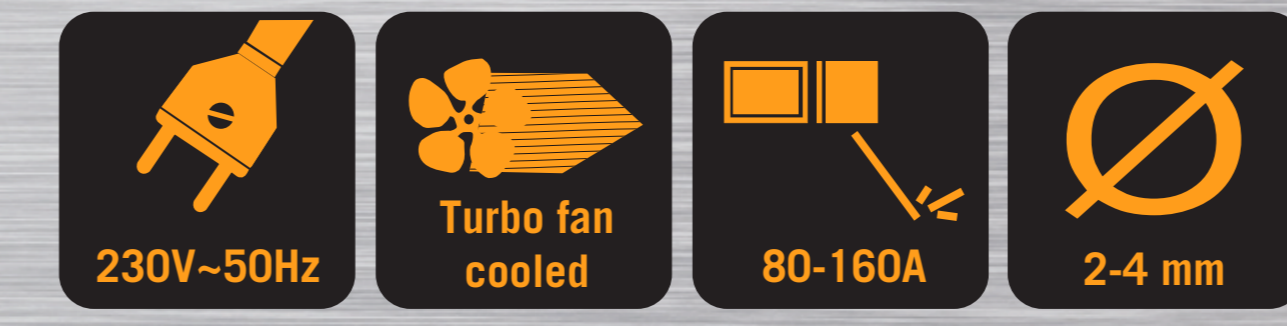

Hegesztő transzformátor
 Gyártó: Novotradng Kft.
 1033 Budapest, Szentendrei út 89-95.
